

SERGERS

3/4 Lay-in Thread Serger with Lower Loper Threader

3/4 thread

- Create precise seam finishing and rolled hems.

Color-coded upper thread guides and looper threading

- Allows for easy threading.

Stitch length 0.8mm to 4.0mm

- Suitable for any type of project.

Differential feed ratio of 0.7 to 2.0

- Improves stitch quality on all types of fabric.

Stitch width 3.0mm to 7.0mm

- Adjustable to provide the perfect stitch width all the time.

Up to 1,300 stitches per minute

- Saves time when sewing.

Removable free-arm

- Slide off arm for easy cylindrical serging.

Storage

- Accessory tool storage on front panel flip-down door.
Removable trim trap for foot controller storage and trim collection while serging.

Included bilingual operation manual and multi-part informational CD

Overview

Ideal for sewing decorative and finishing stitches on linens, formal wear and stretchy fabric, this 3/4 serger includes 22 built-in stitch functions and interchangeable creative feet. The 1034D Serger features a 3/4 lay-in thread system with lower looper threader.

Stitch options include 4 thread overlock, 3 thread overlock, narrow hem, rolled hem, and ribbon lock stitches. In addition the machine has a free arm/flat bed convertible sewing surface and offers a F.A.S.T. lower looper threading system for easy thread

changes. The differential feed improves sewing results on stretch or thin fabrics to give you a perfect finish. Snap-on presser feet allow quick and easy changes to transition to each desired stitch. The 1034D also includes an instructional CD to make serging fast, easy and fun.

Basic Features
